

Fiera Capital announces new fixed income investment team

Fiera Capital has decided to replace the team managing the Active Fixed Income fund, the underlying fund of our Fixed Income Fund (Fiera Capital) (S228). The existing team will continue to manage the fund until the end of the year when the new team takes over.

The new Active and Strategic Fixed Income (ASFI) team is comprised of three senior investment professionals: Charles Lefebvre, Vice President and Senior Portfolio Manager, Luc Bergeron, Vice President and Portfolio Manager, and Tan Vu Nguyen, Vice President and Portfolio Manager. The ASFI team employs a multi-strategy approach focusing on fundamental, technical, seasonality and sentiment factors.

There's no change to the fund's investment management style and no action is required.
