

# Mackenzie and Investors Group combining portfolio management teams

Investors Group and Mackenzie Investments are combining their investment management functions to form a single global investment management organization to support both companies under Mackenzie Investments.

Tony Elavia, Executive Vice-President and Chief Investment Officer of Mackenzie Investments, leads the combined team, but Mackenzie and Investors Group continue to maintain their distinct brands and funds.

Mackenzie's All Cap Value investment management team has been combined into the North American Equity team with lead portfolio manager, Martin Downie from IG. Co-portfolio managers Hovig Moushian, Adelaide Kim, Will Aldridge and Scott Carscallen remain on the team reporting to Martin.

Wincy Wong, portfolio manager for the Mackenzie Large Cap Dividend Fund, is no longer with the firm. Martin Downie and Tim Johal have joined current portfolio managers Hovig Moushian and Darren McKiernan.

These changes took effect Nov. 1, 2017.
