

## GLC Canadian Equity Fund changes

GLC Asset Management Group Ltd. changed the investment management style of the Canadian Equity Fund (LCM) (LLCNE) from a growth at a reasonable price style to a value style approach effective Aug. 1, 2018. Current Portfolio Manager Ryan Marcy will continue to manage this fund. GLC realigned this team and mandate under its Laketon team because the fund aligns with Laketon's bottom-up investment approach. The fund's benchmark and investment objective remain unchanged. The fund name will be updated in the third-quarter fund report available in November 2018. Affected plan sponsors and advisors will be notified.
