

New BlackRock 2060 LifePath Fund available

The new BlackRock LifePath 2060 Fund (BGI60) will be added to our core investment lineup and plans that currently offer BlackRock LifePath Funds on Nov. 22, 2018. The new fund provides younger members a suitable option that's more closely matched to their retirement year.

The investment management fee for the new fund is the same as the rest of the BlackRock LifePath Funds. The new fund report will be available in mid-February 2019 and can be found by signing in to www.grsaccess.com.
