

## Connor, Clark & Lunn Fixed Income team update

Connor, Clark and Lunn (CC&L) informed us today that TJ Sutter has been promoted to Co-Head of the fixed income team alongside David George. TJ joined CC&L in February 2021, after 10 years with RBC Capital Markets where he was a Director and Regional Head of the Fixed Income, Currencies and Commodities Group. In his time at CC&L, TJ has acted in the capacity of macro strategist for the fixed income team. He will partner with David George in the Co-Head role to increase the bench strength, and position the team for succession planning.

The fund's benchmark, fee, investment objective and style remain unchanged and no action is required.
