

Tyler Hewlett resigns from the Mackenzie Quality team

September 16, 2026 - Mackenzie Investments announced that Tyler Hewlett, Managing Director, Portfolio Manager of the Mackenzie Quality Team has resigned in order to pursue a new opportunity. Tyler's last day will be October 9, 2026.

The Quality Equity Team will continue to be led by Shah Khan and Matt Moody. Shah, Dave Taylor and Karthic Arunachalam, who have worked closely with Tyler, will assume his day-to-day responsibilities. The strategies remain supported by three portfolio managers and seven sector specialists. Mackenzie will continue to monitor the team's resource requirements.

IMR had placed all mandates managed by the Quality Equity Team on watch, for past performance challenges and Portfolio Manager/Leadership retirements/departures.

The funds' fee, investment objective and style remain unchanged, and no action is required.
